Wah-Sha-She Annual

Pawhuska, Oklahoma

1948

FOREWORD

Seventy-five years ago, Indian traders established the town of Pawhuska, nestled in the heart of the rolling Osage prairie. Pawhuska has since then become a center of the cattle and oil industry of northeast Oklahoma. Surrounded on all sides by fertile pasture land, rarely surpassed, Pawhuska is generously endowed with scenic beauty.

Important is the group of progressive, energetic citizens who are working to improve the conditions and welfare of all Pawhuskans. Aiding these citizens in every undertaking and supporting every movement is Pawhuska high school.

The purpose of this edition of the Wah-Sha-She is to set forth the activities and achievements of Pawhuska high school, which is turning out students of vision who will aid in the growth of a better Pawhuska and Osage county of tomorrow.

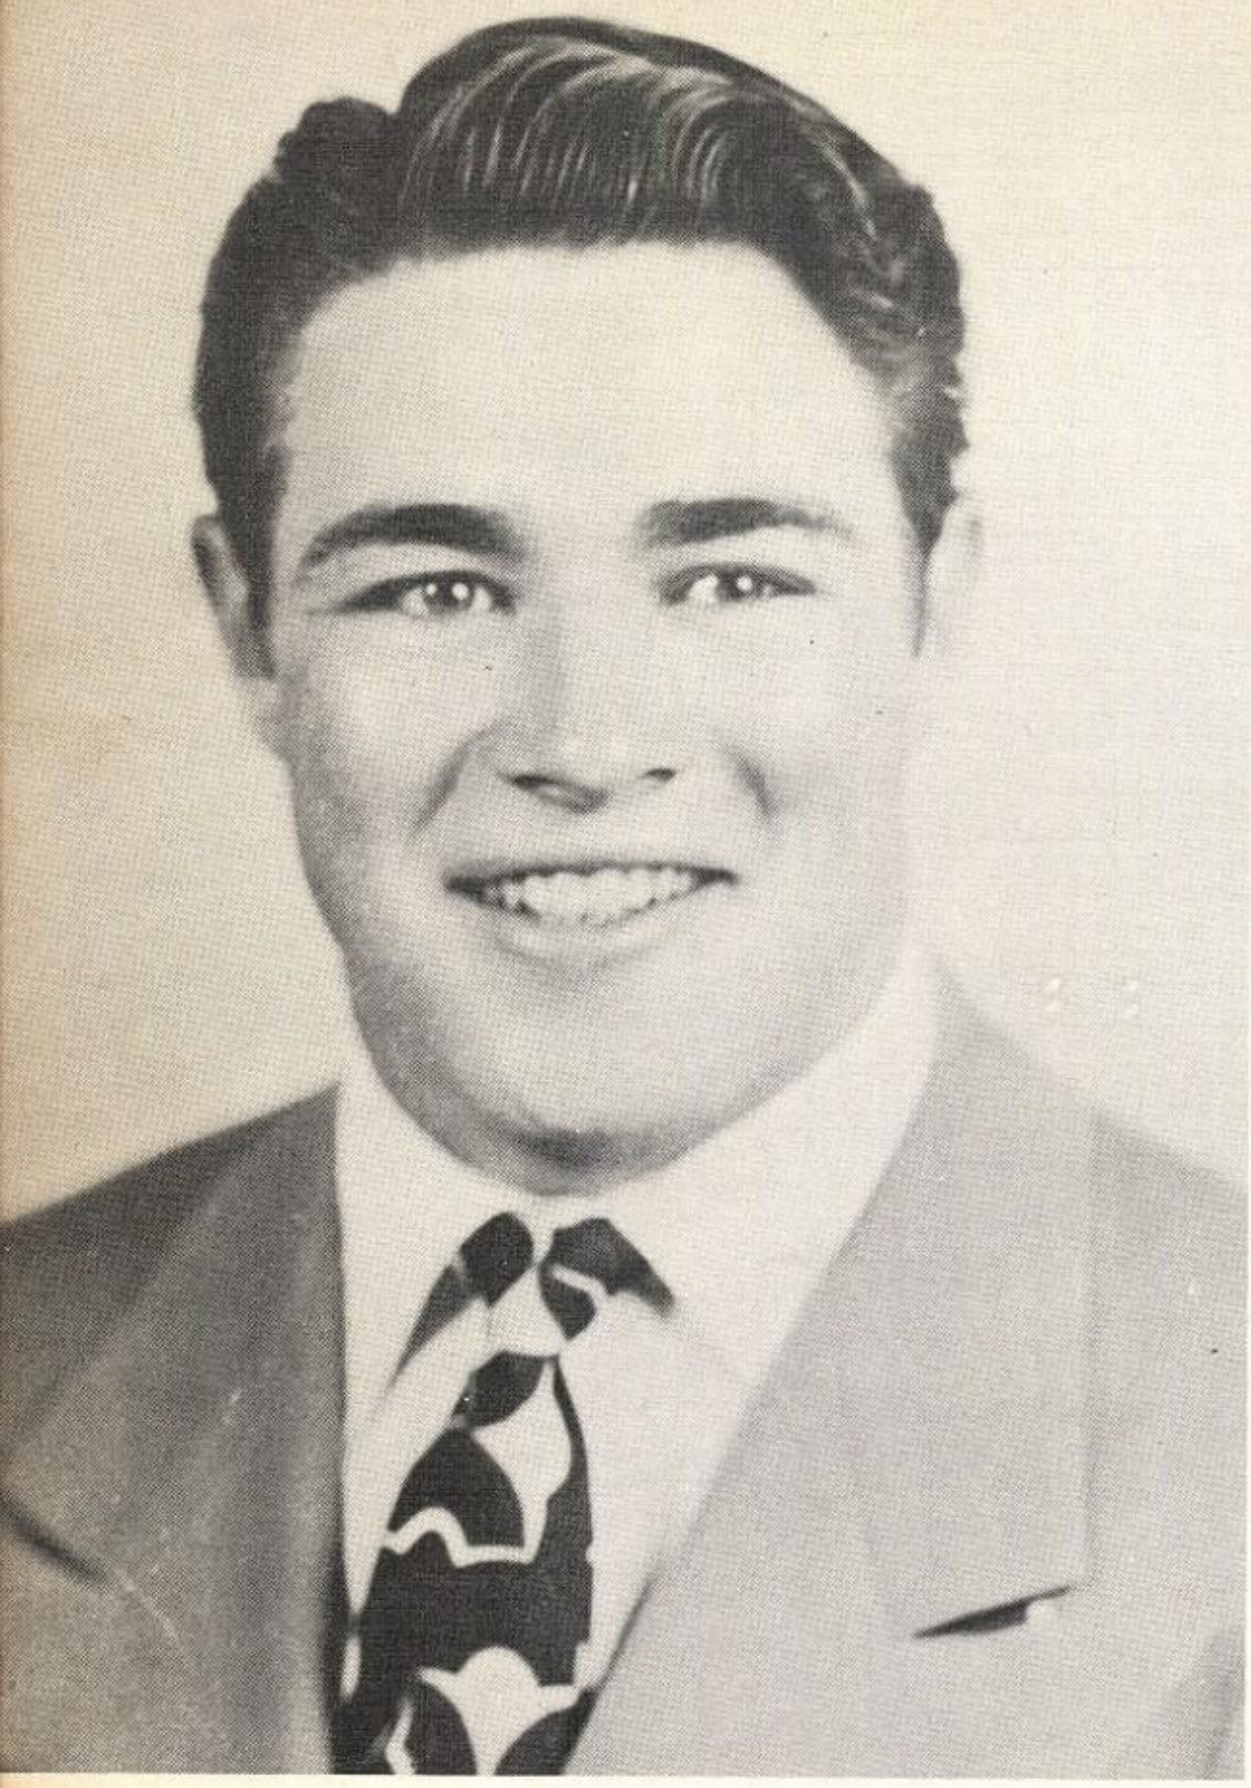
DEDICATION

We, the Seniors, dedicate this edition of the Wah-Sha-She to you, the students of Pawhuska Junior-Senior high school who have shared with us the serious and the lighter moments that are necessary to obtain an education in any public school.

The 1948 Wah-Sha-She Annual is designed to reflect the life of the high school. In copy and in picture we have tried to catch and to hold for you memories of people you knew and loved, and the things you did.

May these stories and pictures of teachers, classmates, coronation ceremonies, football and basketball games, plays and campus activities afford you happy memories of the 1947-48 school year.

If this annual gives pleasure, not only for the present, but for future years, we shall not have worked in vain.



In Memoriam

To the memory of John Nicholas (Al) Galvin, alumnus of the class of '47, we pay tribute.

If one person of the class of '47 exemplified the true spirit of Pawhuska high school more nearly than another, that person was Al. That is how the members of his class feel; that is how the faculty feels.

Al was for the school. He was interested in every phase of it. He was a booster. He could put over any measure he undertook. He was not only a good student in his academic subjects, but he participated in various extra-curricular activities. Among them were 4-H club, Poetry club, Future Teachers of America, football, contests, National Guard, Boys' Glee Club, Annual-Chopa staff, Junior play, Student Council and State Honor Society.

As the handsome young dramatic coach in the Junior play, "Come Rain or Shine," Al was outstanding in his jestful interpretation.

In the annual all-school Christmas program, put on by the speech and vocal music departments, Al played in true spirit the part of the bishop in "The Bishop's Candlestick," by Victor Hugo..

In the Senior play, "And Came the Spring," Al again had a lead. He played to the hilt the part of Jeffrey Hartness, an aristocratic husband and father who maneuvered the welfare of his household.

In developing the theme, "Our Tasks," Al and six other young men of his class appeared on the Commencement program. Al used as his subject "Strengthening of Three Great American Institutions." He did honor to himself in interpreting the part the home, the school and the Church play in American life.

Al's love of life, generous attitude toward others and strong personality endeared him to everyone. He was an ideal American high school boy.

The best to be wished for every high school student is that he might have the ability and will to live life as abundantly, wholesomely and joyously as Al did.

Surely his sparkling, fervent spirit is making brighter that other dawn.

The Board of Education of the Pawhuska schools is composed of five members, elected for a period of three years.

Jesse J. Worten, Sr., attorney-at-law, has been a member of the board eight years, the last five of which he has served as president.

Clifton M. Lenoir, assistant cashier of The National Bank of Commerce, has been a member of the board five years.

Ray Gathright, of the Tolson-Gathright Insurance company, appointed to fill the unexpired term of George Hemphill, was elected a member of the board two years ago.

Sam Blythe, Chief of the Welfare Division of the Osage Agency, has served the citizens of Pawhuska for three years as a member of the Board of Education.

L. C. Wood, beverage distributor, became a member of the board at the annual school election last April.

Supt. E. C. Sprague is serving his first year in the Pawhuska schools.

Athletics

Coach Frank Lucas and the Pawhuska Huskies closed a successful season of footbabll, Friday night, November 21, 1947.

Opening the season against the Hominy Bucks, the Huskies defeated the Bucks 33 to 6 in the first of a series of victories.

Encountering Daniel Webster, the Huskies went down to an 18 to 6 defeat. This game only prodded them to more power for the Fairfax game. The Red Devils were no match forthe Pawhuska gridsters, who defeated them 70 to 6. In the fourth non-conference game the Pawhuska "eleven" froze out the Shidler Tigers, 33 to 0.

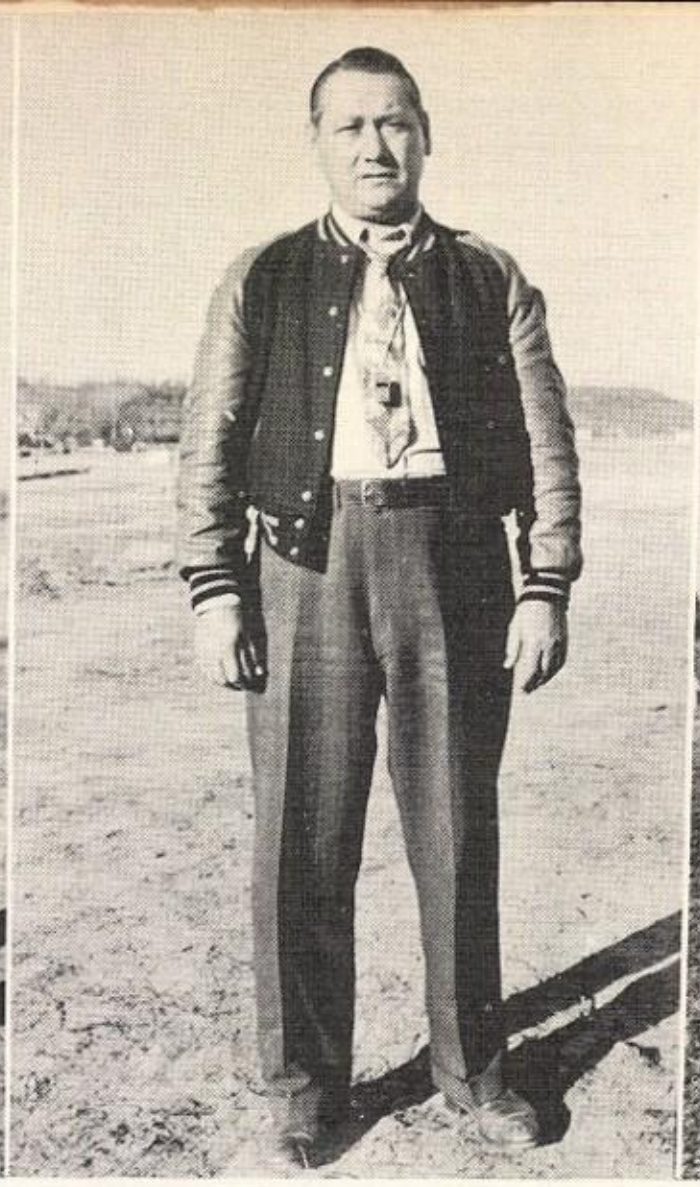
The next six games were rough, for they were all conference games. The Huskies were out to capture the Verdigris Valley (7A) championship, for which they had been close rivals the past two years.

The Huskies triumphed over Sand Springs 20 to 0. Miami, who could not withstand the stone wall of the defensive, nor catch up with the fleet-footed backfield of the snappy T, lost by a score of 7 to 20. Crucial was the next one. Though the Huskies played their hearts out, they tied with Vinita, 13-13.

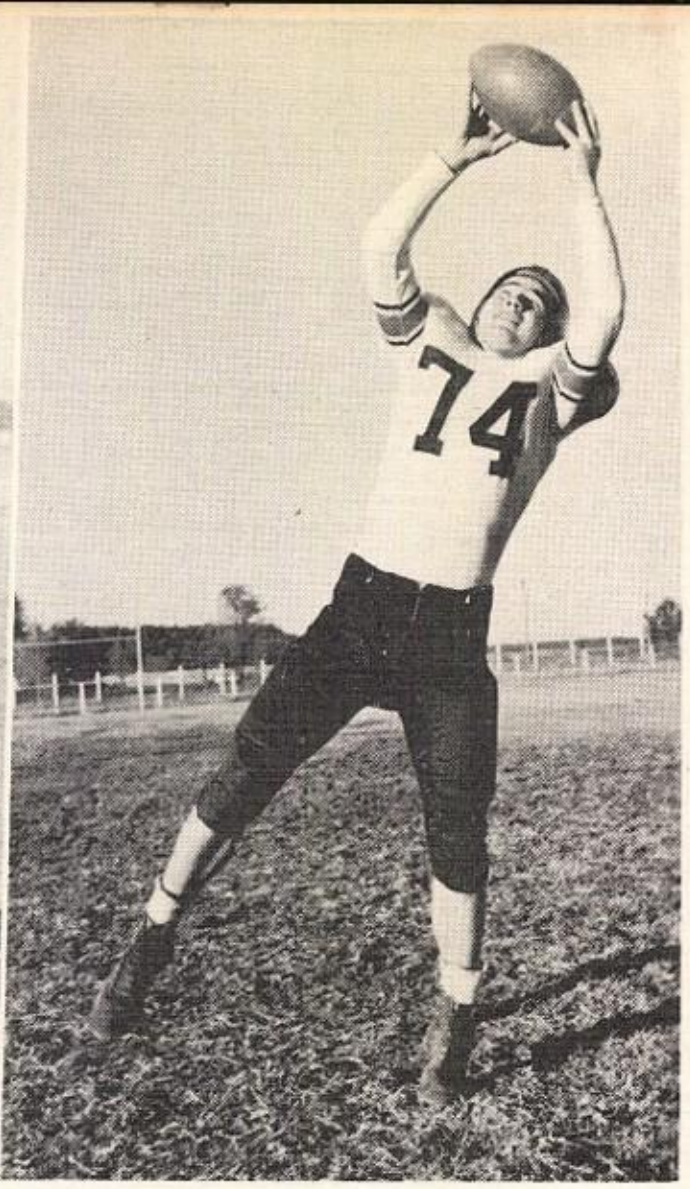
Pryor knocked off the favored Lucasmen 6 to 0, costing the Huskies the conference championship, but this could not break down the spirit of the boys, nor the spirit of the fans. In the next encounter the Huskies rolled over Claremore, 20 to 7. Playing in mud practically ankle deep in the last game of the season, the Huskies splattered Nowata, 19 to 7.

With seven victories, one tie, and two defeats, the Huskies said farewell to the gridiron and Ormand Beach Stadium, but not without putting one man on the All-State Team, Captain Louie Surber, and four men on the All-Conference team: Jim Rush and Louie Surber, first team; Ed Easley and Dick Dickson, second team. From the squad of this season, PHS will lose nine Huskies through graduation. These boys are Robert Adams, Dick Dickson, Ed Easley, Hobert Muller, Bill Musgrove, Norman Rowe, Jim Rush, Stanley Sandstrom, and Louie Surber. Another loss that will be hard to replace is Ted Brunt, assistant coach for the past two years.

Captain Louie Surber—Senior—second year letterman—All-State end—great down field blocker—fine signal caller and natural leader.



Coach Frank Lucas



Captain-elect Milton Labadie—Junior letterman—perhaps the finest pass receiver on squad in addition to being fine defensive end.

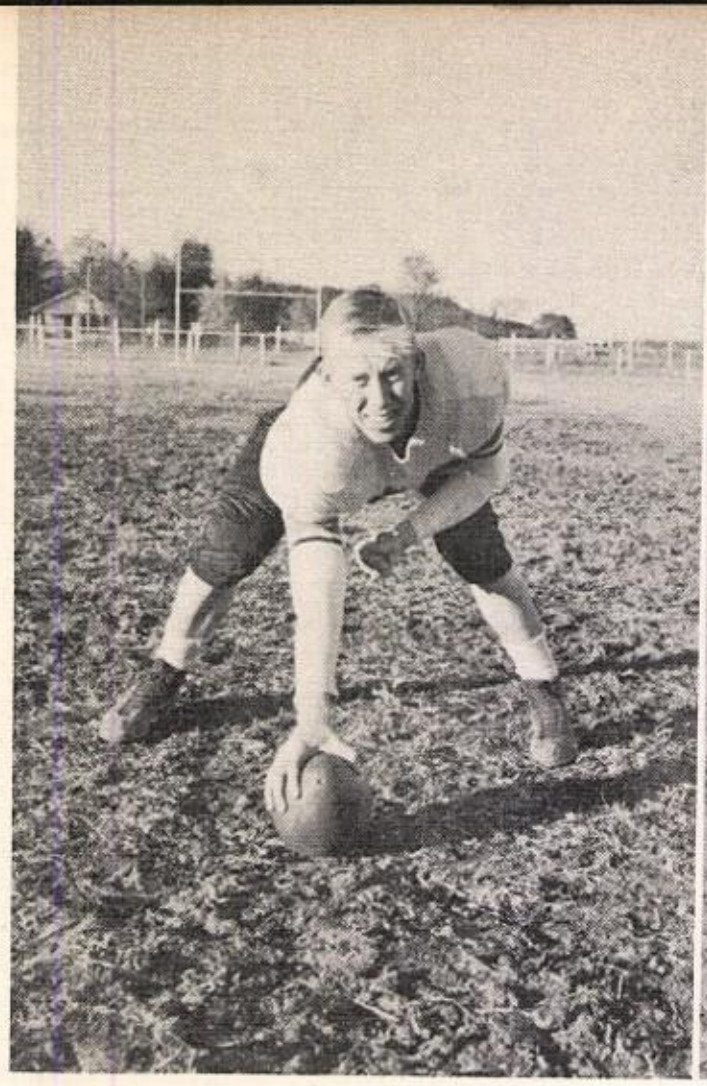
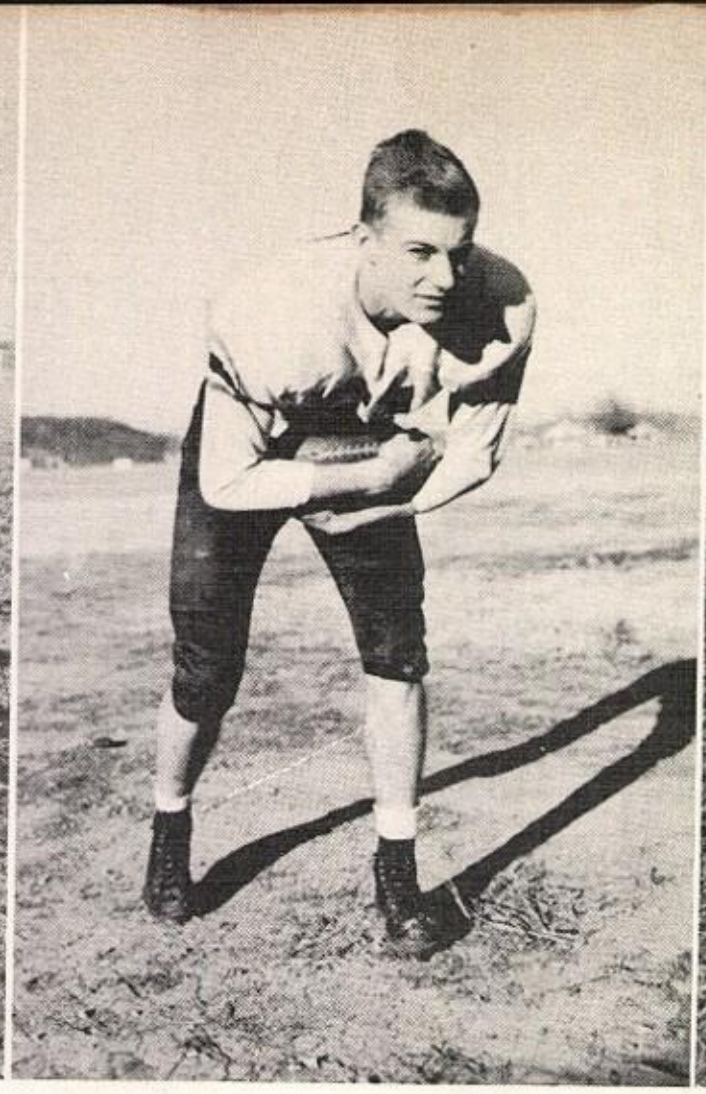
Jim Rush—Senior—third year letterman—finest running little halfback in the conference, a threat every time he carried the ball.



Dick Allen — Junior lettermen — able center and promising linebacker—fine blocker.



Hobart Muller—Senior—three year letterman—hard running fullback and hard hitting defensive man.

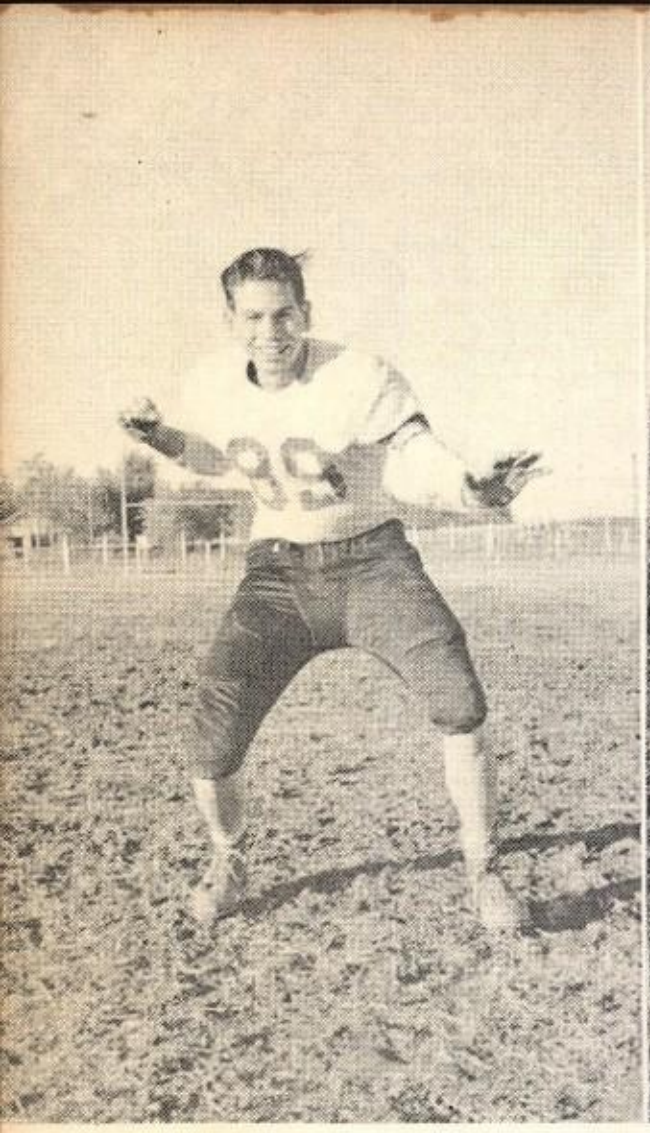
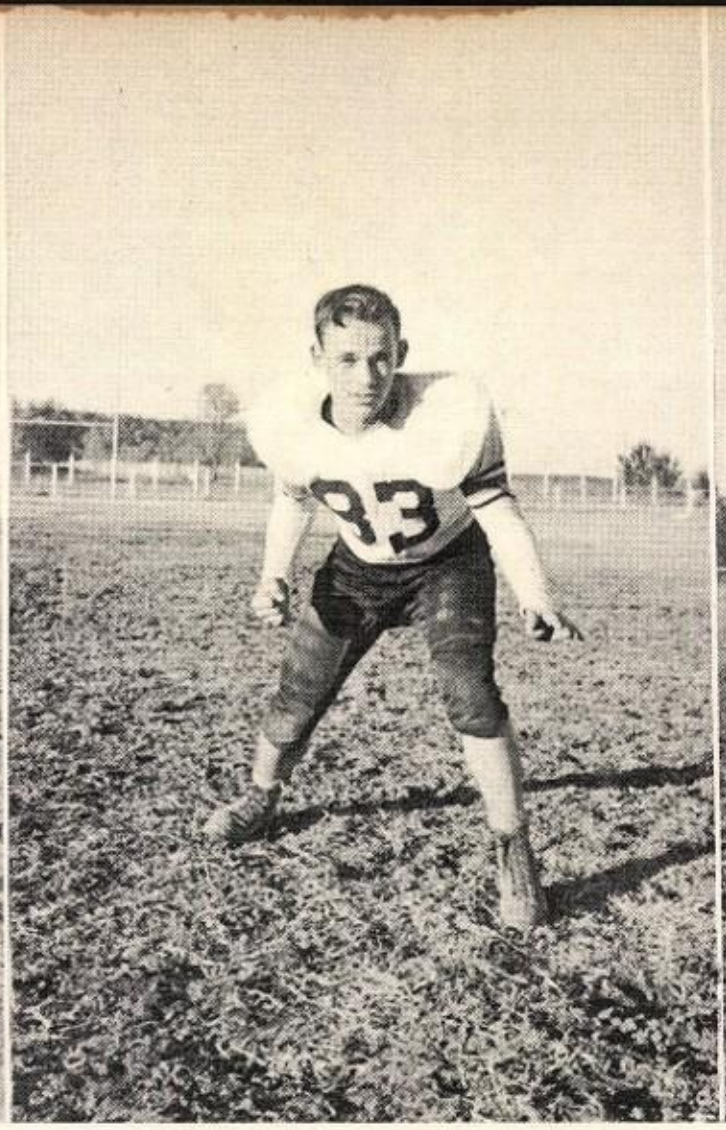
Bill Musgrove—Senior—two year letterman—a rugged guard—good blocker and tackler.

Eugene Hooper—Junior letterman—fine offensive blocker and bids fair to become a great player—All-State selection of Tulsa World.



Ed Easley—Senior—third year letterman—good offensive blocking tackle—able kicker on extra points.



Stanley Sandstrom—Senior—two year letterman—hardest charging little man on the team, good blocker and rugged tackler.

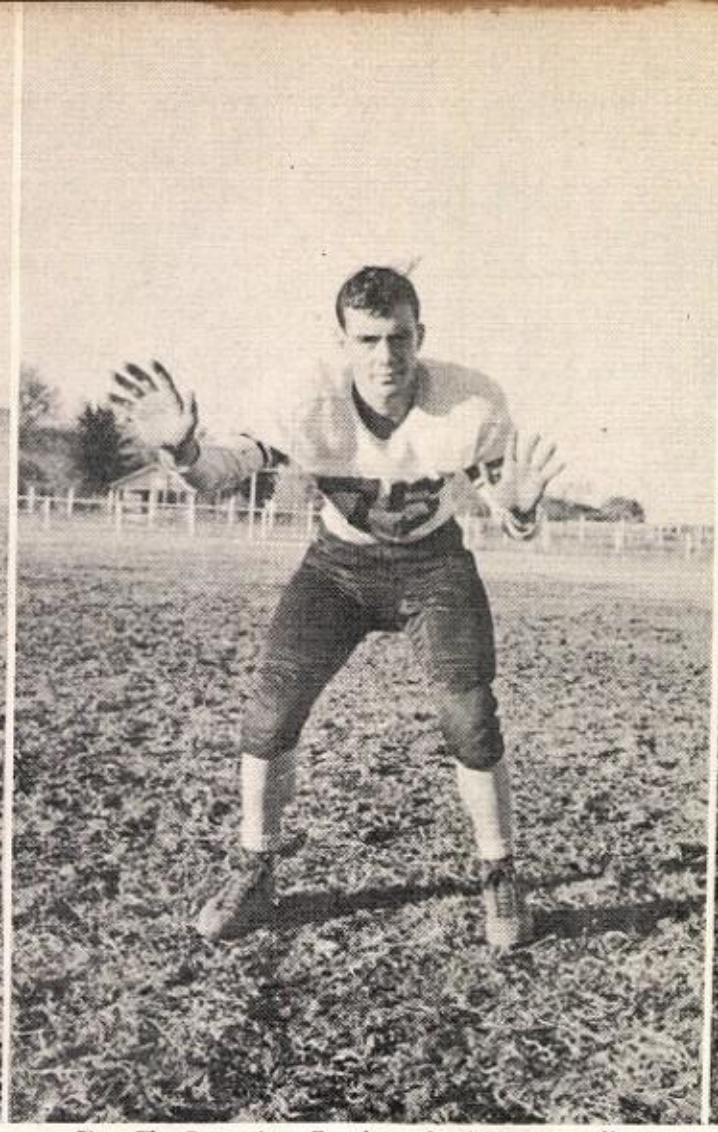
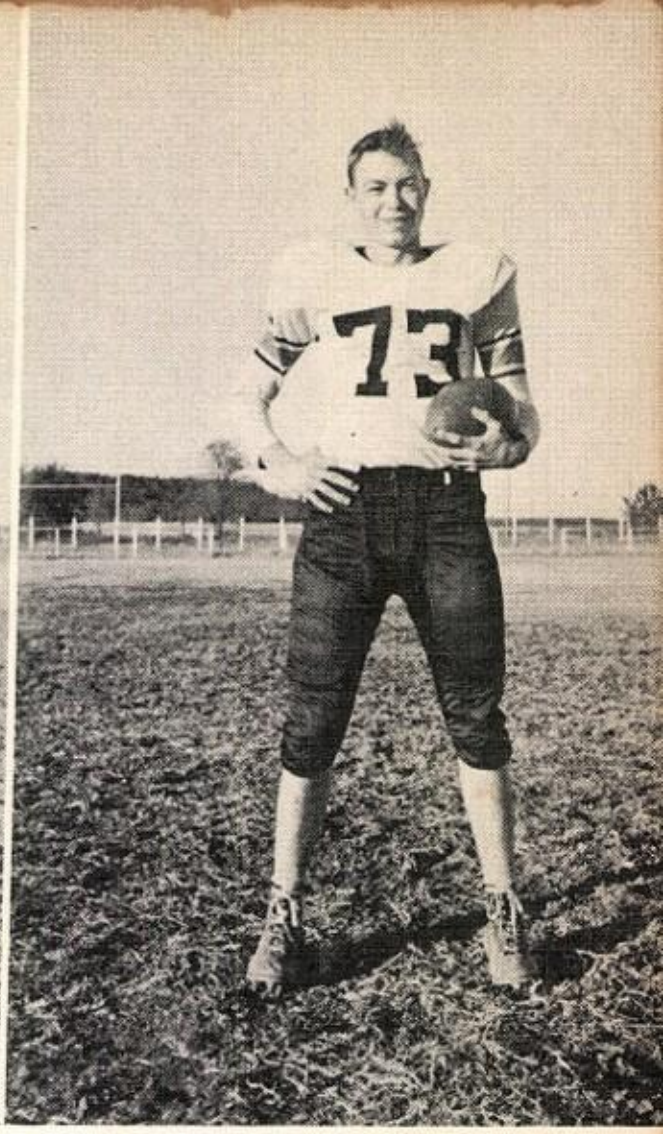
John Hubble—Junior letterman—promising back—good defensive player.

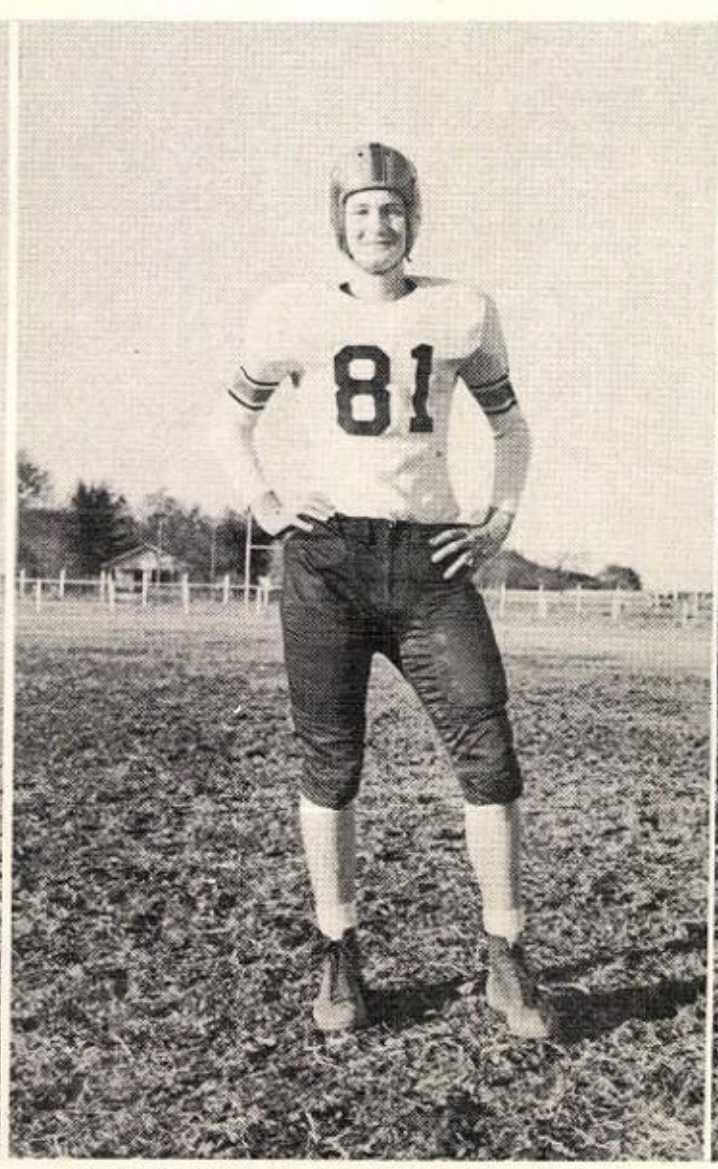


R. E. Lovett—Junior letterman—fine little fullback—good tackler and good blocker.



Jim Leonard—Junior letterman—hustling end—good tackler.

Royce Kingsbury — Junior — letterman—good prospect for regular halfback next year.



Bill Moore—Junior letterman—promising tackle and end—good defensive player.

BASKETBALL AT PHS

From the first game of the season to the last, the Huskies, coached by Frank Lucas, turned out an exhibition of ball control, setups, pivot and long range shots to make themselves recognized as one of the major teams of the state.

On Tuesday, Dec. 9, the Huskies opened their program against the Hominy Bucks, taking a close victory of 33 to 30.

During the season's schedule, the Huskies weathered games with Muskogee, Stillwater, Will Rogers and Capitol Hill. Other non-conference teams the Huskies met were Shidler and Hominy, defeating each in two encounters.

For the first time since the Huskies entered the Verdigris Valley contest in '42, the PHS athletes walked away with a 7-A championship crown.

During the conference games, the Huskies were defeated only twice, by Pryor 42 to 39 and by Sand Springs 39 to 30.

Conference teams which the Huskies downed twice were Claremore, Miami, Vinita and Nowata.

In January, the Pawhuska quintet entered the Cleveland Invitational tournament, bringing home the class "A" trophy, after defeating Dewey and Cleveland.

For the first time Pawhuska was awarded the regional tournament; for the second time, they won class "A" championship. The Huskies chalked up victories against Miami and Ponca City. Beating Vinita in the finals, the Pawhuska cagers advanced to the state tourney.

In first round play, the Huskies met the Norman five in a stiff game, in which they lost 52 to 32. This was the second team for coach Lucas to guide to the state tournament since he joined the faculty of PHS. Last year the basketball squad, which included several regulars of this season, lost in the semi-finals to Muskogee, 37 to 35, after smashing Frederick 50 to 44.

Huskies who will graduate in May are Louie Surber, Dick Dickson, and Hobert Muller.

As in football, the athletic department boasts another all-stater, in basketball. Dick Dickson, Huskies' captain, made the first team. Dick set an all time record in the Verdigris Valley conference by scoring 244 points in 12 games for a 20.2 average. He also set an all-time record for PHS by scoring 434 points in 28 games for the season. He will take part in the All-State classic in August, in Oklahoma City.
